APPLICATION TO CONDUCT AN OPEN- AIR MUSICAL FESTIVAL OR SIMILAR GATHERING

The following information must be supplied:

Applicant	
Applicant's contact numbers (including Cellphone numbers)	
Postal Address	_____ _____ _____
Erf / Street no & Suburb of Venue	_____ _____
Date of Event	
Time / Duration of Event	
Signature of Event Convener	
Signature of Event Deputy Convener	
Approximate number of participants and spectators	

NOTE:

1. The noise level emitted from the property may not exceed 95 dBA.
2. A **qualified acoustic engineer** or an **accredited acoustic consultant (not a sound engineer)** , must at all times during the event, take and record the emitted noise levels and hand a report containing the findings, to the Municipality within two (2) working days after the completion of the event. The engineers cost will be borne by the applicant.
3. The location and/or orientation of loudspeaker equipment should be taken into account in order to minimize noise emissions into the potentially noise sensitive areas.
4. The event should be advertised by means of leaflets or the media in order to inform the residents in the vicinity of the event.
5. The Ekurhuleni Metropolitan Police Department, Disaster Management, Emergency Services as well as the South African Police Services must be informed of the event and proof thereof must be submitted to this department in order to consider your application.

PLEASE NOTE THAT IF AN EVENT IS CANCELLED OR CALLED OFF, THE RESPONSIBLE OFFICIAL MUST IMMEDIATELY BE NOTIFIED THEREOF IN WRITING, WHICH WILL RESULT IN THE CANCELLATION / LAPSE OF THIS APPLICATION.

NB: All relevant documentation must be submitted with this application.
