In deciding whether to accept the abovementioned, due regard must be given to the Supply chain Management Policy.

(i) Capital Grants

Capital grants must be evaluated in terms of the IDP priorities.  - Any additional information available;
 - What the impact on service delivery will be if the project is not implemented;
 - Comments on capacity to implement.

Operating grants should be considered on an ad hoc basis. All grants that aim to further the objectives of the Ekurhuleni Metropolitan Municipality should be considered for acceptance.

The following broad principles should be applied when considering whether or not to accept a grant

- The conditions of the grant funding should not place an undue administrative burden on Council.
- The vision and mission of Council should not be compromised in any way by accepting grant;

- The Executive Mayor may use his discretion when being offered grants on the acceptance thereof;

The acceptance of donations and sponsorships must, at all time, be done in such a manner that it maintains and promotes sound financial management, public accountability, transparency and good governance.

- Whether the sponsorship or donation creates an expectation of further work, contacts, support, etc to the organization or person making the sponsorship or donation;
- Whether MFMA training sponsorship comply with MFMA Circular 9 in that the training providers must be validated by the National Treasury. (This applies only to training on the MFMA and not any other training courses.);
- Whether the sponsorship or donation is within the ambit of the Supply Chain Management Regulation 47 and 48;
- Whether the sponsorship or donations infringes the ethical standards set in regulation 46 of the Supply Chain Management Policy.

If it is found that the offered donation or sponsorship is offered or granted with the intention of being an inducement or reward for the awarding of any form of bid, or that it infringes on the ethical standards in Regulation 46 of the Supply Chain Management Policy, the donation or sponsorship may not be accepted.

All donations or sponsorship offered or granted to the Ekurhuleni Metropolitan Municipality must be submitted to the City Manager for approval. No person other than the City Manager may authorize the acceptance of donations or sponsorship.
