FOR THE IMPLEMENTATION OF TARIFFS

- (a) A callout is calculated as a minimum of one hour or part thereof
- (b) More than 30 minutes shall be calculated as one hour while less than 30 minutes shall be calculated as half an hour
- (c) The time shall be calculated from turnout point to return to base.

- (d) Tariffs for extrication/rescue services shall be applicable and calculated for each patient/victim extricated
- (e) Ancillary services will only be rendered on the acceptance of a written quotation.
- (f) In the case of road traffic accidents, the department will first endeavour to recover the tariffs from the Road Accident Fund, where after it will be the responsibility of the patient/victim.
- (g) The tariffs relating to table "A" 1 (m), (n) and (o) above is only relevant for claims paid by the Road Accident Fund, where the agreement between EMM and the Road Accident Fund stipulates that the tariffs applicable to claims to the Road Accident Fund is limited to the applicable tariff Fee Structure (UPFS) as per Government Gazette Notice, less 10%.
- h) Should new training courses be developed the Head of Department: Disaster and Emergency Management Services be allowed to implement an appropriate interim tariff until the next financial year.

EXCLUSIONS

- (a) When a false alarm has been received but the responsible person, in the opinion of the Chief Fire Officer, acted in good faith, no charges shall be applicable.
- (b) Council withholds the right to revoke any and all charges relating to:
 - Civil Commotion
 - Riots
 - Natural Disasters

Major Incidents affecting whole communities, which were not declared disasters by the municipality due to practical reasons.

Either locally or on request of another sphere of Government.
- (c) No charges shall be applicable to any registered indigents.
- (d) Bona fide charitable organizations may be exempted from any charges.
- (e) In case of funerals of DEMS personnel and other employees approved by the City Manager or Council office bearers, as approved by the Executive Mayor.
- (f) Exercises, where such exercises are requested and initiated by the Ekurhuleni Emergency Services or is required to prepare and develop the Ekurhuleni Emergency Services to respond to National Key points or registered Major Hazard Installations may be exempted from any charges.
- (g) International assistance rendered on request of the National Sphere of Government.
- (h) Where Council is the sole beneficiary of services rendered, or have an obligation to render services, example in the case of a visit by the President of South Africa or similar event in public interest, provided that the requesting department may be held liable for overtime costs and additional expenses incurred
 - i) Where permits are required by Council for the registration of council owned premises for the use, handling, storage and transportation of dangerous goods.
 - j) Where fire investigation reports or other incident reports are required by the SAPS or other government institution for investigative or evidentiary purposes.
 - k) Auxiliary institutions working in conjunction with the Disaster and Emergency Management Services Department, such as Rescue South Africa, the Emergency

Services Chaplaincy and the Off-Road Rescue Club, where such activities is to the benefit of Council.

- l) Where internal courses are offered to Ekurhuleni Emergency Services staff in line with the workplace skills plan and Departmental programme.
 - m) Mess fees in case of internal courses offered to Ekurhuleni Emergency Services staff in line with the workplace skills plan and Departmental programme, including for external instructors, moderators, assessors and course development staff if there are no charges from such parties.
 - n) Moderation & Assessment of courses to external parties per day, where the other party performs a similar function to the DEMS Department in kind.
-
